

MEMORANDUM OF AGREEMENT
between
NORFOLK SOUTHERN RAILWAY COMPANY
and
TRANSPORT WORKERS UNION OF AMERICA
and
BROTHERHOOD OF RAILWAY CARMEN TCUIAM

Effective January 1, 2023, and continuing on an annual calendar year basis each year thereafter, each Employee shall be provided four (4) workdays of paid sick leave to be used for absences related to or resulting from physical illness, mental illness, off-duty injury, doctor and dental appointments, or medical conditions.

In addition to the annual paid sick leave, each Employee who meets the qualifying vacation requirements of the National Vacation Agreement and the qualifying paid personal leave requirements of Article IV of the October 13, 2022, National Agreement, shall be permitted to utilize up to a maximum of three (3) paid personal leave days per year as paid sick leave. Personal leave may be utilized after an employee has exhausted the annual sick leave provided under this agreement. Employees that utilize paid personal leave days as paid sick leave will be subject to the reporting requirements for taking sick leave under this agreement as described below. There will be no duplication of payment for the utilization of paid personal leave days used for paid sick leave.

Each Employee shall be permitted to use paid sick leave in a minimum of one (1) day increment. All paid sick leave shall be paid at the respective straight-time hourly rate of pay of the position currently held by the Employee. If the Employee is unassigned at the time of use of paid sick leave, the paid sick leave shall be paid at the respective straight-time hourly rate of pay of the last position the Employee worked and was compensated.

Where the use of paid sick leave is not foreseeable, Employees must report to their appropriate available Supervisor their use of paid sick leave as soon as practicable. Where the need for paid sick leave is foreseeable (e.g., a doctor's appointment or procedure that is scheduled at least days in advance of the absence), the Employee's request must be made at least seven (7) calendar days in advance of the use of paid sick leave. Reporting shall be made by the Employee orally (e.g., via telephone) or in writing (e.g., email or text message), except for instances of the Employee's physical incapacity or other emergent conditions that do not permit the timely reporting. In all instances, the request to use paid sick leave will be treated as valid and granted upon the Employee's request, subject to certain conditions described in the paragraph below, and such granting will be communicated by the Carrier to the Employee either verbally or in writing (e.g., via email or text message) as soon as is practicable.

The Carrier may require an Employee to provide a note from a healthcare provider to document the need of paid sick leave. The Carrier will not require an Employee to complete a return-to-work medical examination before allowing an Employee to return to duty from paid sick leave of

six (6) consecutive workdays or less in a single occurrence unless the nature of the medical condition would reasonably warrant such procedure.

Unused paid sick leave may be contributed by the Employee to their 401(k) account or will be paid out at the end of the calendar year at the Employee's straight-time hourly rate of the position currently held by the Employee. In the event of the death of the Employee, payment of all unused accumulated paid sick time will be issued: to the Employee's surviving spouse, if any; or the Employee's surviving children if there is no surviving spouse, or the Employee's estate if there are no surviving children. If the Employee is unassigned at the time of payment, the paid time off shall be paid at the respective straight-time hourly rate of pay of the last position the Employee worked and was compensated.

Paid sick leave absences will be handled in accordance with the Company's attendance policy in effect at the time of the absence. Employees who are dismissed or suspended from service but whose discipline is subsequently removed or overturned through arbitration, voluntary settlement, or other means, shall receive pay for paid sick leave lost to the extent applicable. The Employee shall also qualify for and be credited for accrued paid sick time to be used in the current year that the Employee would have otherwise received if not for such improper discipline, to the extent applicable.

The provisions of this paid sick leave agreement have no effect on and in no way alter collective bargaining agreement terms regarding paid time off and the application thereof for the Employees, including but not limited to the use of paid vacation (National Vacation Agreement and the subsequent amendments thereto), paid personal leave days when not utilized as paid sick leave, paid holidays (National Holiday Agreement and the subsequent amendments thereto), or the Family and Medical and Leave Act (FMLA) and any other laws applicable to the carrier. An Employee marking off sick for a personal illness shall have paid sick leave applied to such absence until the Employee has exhausted their sick leave days provided under this agreement. Short term disability benefits, such as supplemental sickness benefits and off-track vehicle benefits provided through a collective bargaining agreement or disability and job protection benefits that are voluntary and paid for solely by the Employee (e.g., Aflac), Railroad Unemployment Insurance Act (RUIA) sickness and unemployment benefits, do not count towards the required leave that must be provided under the provisions of this Agreement. The provisions of this paid sick leave agreement have no effect on and in no way alter RUIA or supplemental sickness benefits.

This Agreement shall remain in effect until changed or modified in accordance with the provisions of the Railway Labor Act, as amended.
